SCHWINN® FITNESS IC BIKES

EVOLUTION® SR

- Smart Release™ System offers all the benefits of a fixed gear with a unique coasting feature
- Easy-to-use handlebar and seat adjustments help you quickly determine preferred comfort setting
- Corrosion-preventing stainless pins can be quickly threaded tight for a secure hold on the sliding tubes
- Exclusive trapezoidal shape creates a “wedge effect” for maximum stability
- Two composite water bottle cages hold bottles up to one-liter in size
- Large-diameter leveling feet provide floor protection and stability
- Reinforced axles offer increased service life for standard toe clip/strap pedals
- Texturized pads provide a non-slip surface for stretching
- Transport wheels make storage and relocation easy while protecting floors
