

SCHWINN FITNESS

CHANGING THE GAME IN HEALTH AND FITNESS™

# WIND RESISTANCE

SCHWINN® FITNESS WIND RESISTANCE

## Work out like a champion.

Since we created our patented Airdyne® flywheel system 25 years ago, breakthroughs in exercise technology are second nature to us. Our line of wind resistance fitness products is no exception. You'll enjoy top-notch innovation and quality – workout after workout.

AIRDYNE®  
STATIONARY BIKE

SCHWINN FITNESS

CHANGING THE GAME IN HEALTH AND FITNESS™

# WIND RESISTANCE

SCHWINN® FITNESS WIND RESISTANCE

AIRDYNE® EVOLUTION® COMP

- Resistance-based braking creates zero friction and provides considerably less maintenance than other, more complex systems
- Sealed cartridge bearings provide smooth ride, reliability and extra-long life
- Durable steel frame helps ensure a quiet ride
- Small, quiet fan-wheel cools user during exercise
- Low step-over height makes mounting and dismounting easy
- Ideal for rehabilitative use
